Explanation -

Technical Amendments:

Item 1: eliminates the HHP Physiological and Nutritional Lab, UM-Missoula project(authority only) per the request of UM-Missoula.

Items 2&3:will combine the two LRBP projects at the MMHNCC into one project. A&E staff recommends that combining the projects will make the project work more efficient.

Items 4&7: will reposition the Fishing Access Site Acquisition project from HB section 4 (Capital Improvements) to section 5 (Land Acquisition Appropriations).

Items 5&6: Will direct the appropriation of \$3M directly to the Montana heritage preservation and development commission and re-title the project.

Item 8: reduces the project for the unnecessary appropriation of funds for debt service in the department of transportation.

Item 9: will allow the Department of Military Affairs to use the proceeds of the sale of the current Missoula Armory to cover the cost of the sale of the land and to house soldiers until the new facility is complete.

Item 10: coordinates HB 5 with SB 79 and provides that if SB 79 is not passed and approved with a general fund transfer to the LRBP account of \$7.15 million/FY, then \$7.15 million/FY will be transferred in HB 5.
